South Carolina School Plant Management Association

2018 MAINTENANCE UPDATE

SCSPMA was organized in the interest of enhancing and promoting the educational process by providing a media through which Plant Maintenance and Plant Management may be improved.

Not a member?

Join us!

Our website offers membership and upcoming event information.

We are on the web!
WWW.SCSPMA.org

Our mission is to:

Strengthen the contribution of Plant Management to the South Carolina educational process.

Promote professional advancement of School Plant Management personnel.

Provide for exchange of information to improve School Plant Management, maintenance and care by promoting acceptable policies, standards, and practices.

Enhance the development and implementation of policies affecting Plant Management.

Provide a voice in the promotion of Plant Management in the South Carolina educational system.

Provide technical and management training and upgrading needed for today's Plant Manager, Maintenance Personnel, and Custodians.
